This is a complaint by Richard L. Blank,

, Onsted, MI 49265

This is to file a complaint first against Herrick Hospital, Tecumseh MI and secondarily the American Hospital Association, Toledo Ohio. I have received medical services (ie. blood draws for lab tests) from Herrick Hospital numerous times.

In April 2010 The A.H.A. ran several TV spots on channel 47, Lansing, MI. These adds congratulated a political candidate, Mark Schauer, on voting for a bill which at the time called for tax payer funded abortions. A photo of the congressman was shown. As he was running for election this was clearly a political endorsement contribution for the congressman and the bill. These adds stated that they were paid for by the A.H.A. These adds in part were paid for by myself against my wishes or knowledge by using part of my medicine payment (a program into which I paid over the years) to pay for Herrick Hospital's budgeted item membership in the A.H. A. Please take appropriate action against these missappropriation of funds. Thank you.
